Directions to Atlock

**This Sunday,  
June 20, 2010**

**Noon to 4 p.m.**

**Rain or Shine**

The Atlock Farmers invite you to join them for this summer's last-ditch effort for beauty and savings during their annual Open House.

Stay out of the ocean and and save big on annuals, perennials and containers.

Duck your Dad and plant a raspberry, blueberry, or alpine strawberry.

Or, dote on Dad and bring him in for a hot dog with all the trimmings.

In any event, be there for a budget-balancing good time.

Sincerely,  
Ken Selody

Don't forget to join us for **Tastamonium**, our tomato tasting and contest, Saturday, August 21, 2010 11a.m. - 4p.m.
